LIMITED REVIEW REPORT

To
Board of Directors of
Royal India Corporation Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of **Royal India Corporation Limited** (“the Company”) for the quarter and half year ended 30 September, 2020 (“the Statement”).
2. This Statement, which is the responsibility of the Company’s management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “*Interim Financial Reporting*” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. These financial result describe the Management’s assessment of the impact of COVID-19 pandemic and the resultant lockdowns on the significant uncertainties involved in developing some of the estimates involved in preparation of the standalone financial statements including but not limited to its assessment of liquidity and going concern, recoverable value of its property, plant and equipment and the net realizable value of other assets. Based on information available as of the date, Management believes that no further adjustments are required to the financial results. However, in view of the highly uncertain economic impacting the industry, a definitive assessment of the impact is highly dependent upon circumstances as they evolve in future and the actual result may differ from those estimated as at the date of approval of these standalone financial statements.
